Dear Mr. Will:

My name is Mark Turner and I am the Scout Executive for the Mecklenburg County Council, Boy Scouts of America in Charlotte, North Carolina. We serve over 10,000 youth throughout Charlotte with more than 3,500 registered adult volunteers. Volunteerism is the key to the success of delivering a quality, life changing Scouting program.

I want you to know that one of your employees, **Kirk Sherrill**, is a leader in Troop 7 and spent last week at camp leading a contingent of boys at Camp Grimes in the mountains of North Carolina. This can be a life changing experience for a young man. I am very grateful for his volunteerism and your willingness to let your employees positively engage in our programs and community. We could not deliver the promise of Scouting without this incredible partnership. Some would say this is a vacation, I would tell you that it is the essence of what makes our country great...volunteerism!

Many thanks,

Mark Turner  
Scout Executive
